Mill Woods Soccer's Coronavirus (COVID-19) UPDATE

March 23, 2020

A brief message to all Parents, players, coaches, assistant coaches, managers and valued volunteers of MWSA.

I would like to thank you all for your understanding and patience as we battle Covid-19.

At this time, we are trying to remain positive that we will have an outdoor season. Behind the scenes, the Age/Community Reps are forming the teams and trying to find coaches. Nothing will be made public until we are sure the season will go ahead.

The office will be closed, and remain closed to the public until the threat is over. This is for everyone's safety.

At this time, we are asking everyone to not request a refund. The Edmonton Minor Soccer Association board of directors is meeting, on-line, on April 2nd to discuss any decisions or directives from Canada Soccer and Alberta Soccer. We will update everyone then.

Until then, stay healthy and safe. And please, listen to, and follow our Health Experts orders. Think about your safety and the safety of others; please observe the 2 meter/6 feet rule.

Thank you again

Joe Herlein
President
MWSA
